PC :

1. Heard advocates. Perused the order of the Competent Authority. The Competent Authority has recorded a finding of fact that petitioner was appointed as Superintendent of Aashram School on probation and since his services were not found satisfactory he was terminated in April 2002. The petitioner's case is that he was continued in service in March 2003 is disbelieved by the Competent Authority. This being a finding of fact, it is not permissible for this Court to reappreciate the evidence and come to a different conclusion.
